

PROJECT PROPOSALS

Project	From	Received	Committee
FORCE Joint Industry Project Proposal - 4D Reprocessing on HOD	Total	November 2006	Geophysics
PROFUSE	NGI	September 2006	Sed Strat/ Structural Geology
The GEO-ENHANCE project	NTNU	December 2005	Res Char
The GeoSeis Project	Heriot-Watt	October 2005	Seismic
Three-dimensional seismic angle tomography and migration in anisotropic media Milestones	NTNU	November 2004	
Comparison of seismic modelling algorithms	NTNU	November 2004	
Modelling of fluid flow and seismic for improved reservoir description in stress-sensitive fractured reservoirs	Heriot-Watt	November 2004	
Determining the benefits of seismic history matching for fractured reservoirs	Heriot-Watt	November 2004	
Borehole image data base of The Norwegian Continental Shelf Word	Saadallah Geoconsultant	December 2003	Res Char
Shapes of Reservoir Sandst and their Heterogeneities: Development of the first tr quantitative 3-D database using a Europe-based LIDAR facility (58.000 KB)	University of Liverpool	November 2003	Sed Strat

Project	From	Received	Committee
Norwegian Sea Research Consortium Homepage	Various Universities & Res. Institutes	October 2003	Sed Strat
Non-Reservoir Rock	Rock Solid Images	August 2003	Sed Strat/ Res Char/Seismic
Development of Technology for Optimal "Blow-Down" Production	IFE	August 2003	Recovery
Large Strain Testing of Fault Seals	NGI	June 2003	Sed Strat/ Structural Geology
Prestack Pilot Project	Seismic group	April 2003	Seismic
Advanced EM-wave modelling and interpretation tools for new cost effective methods in hydrocarbon exploration and reservoir monitoring	NGI	February 2003	Seismic
3D quantification of cenozoic vertical movements onshore-offshore southern Norway	Sintef Petroleum Research	January 2003	SedStrat
TuMod- Integrated Turbidite Modelling	University of Bergen and Norsk Regnesentral	november 2002	SedStrat
Interval velocities and diagenesis	Geologica	August 2002	SedStrat
Visualization of Reservoir Data	The Norwegian University of Science and Technology	June 2002	Vis/ ResChar
CO2 injection in the North Sea	Sintef Petroleum Research /RF - Rogaland Research	June 2002	Recovery
Microbial Improved Oil Recovery	Sintef Petroleum Research /RF - Rogaland Research	June 2002	Recovery

Project	From	Received	Committee
Mobility control by foam	Sintef Petroleum Research /RF - Rogaland Research	June 2002	Recovery
